Life in Hawkins Indiana

Chapter 1:

After me and Mike kissed it was amazing I knew I was falling deep for him. After the Snow ball, everyone went home it was very late and I just wanted to sleep.. most importantly just think about how I'm such a lucky girl to have Mike in my life.

Once I got home I threw myself on the couch and watched TV while my father (Jim Hopper) whipped me up some egos everyone knows how much I love those! " Eleven here are your egos, did you have any fun at the snowball? " " Yes It was really fun, especially the fact that I got to be with Mike again after 353 days. " " Oh so you and Mike are a thing now? " " WHATS a thing? . " " Boyfriend and Girlfriend? sorry if this is awkward for you eleven, eat up and then go to bed. " I finished my egos and I went to bed I was exhausted from the long day I had.

Next morning 7:45 AM:

I'm still tired ughhhh I just want to continue sleeping, I could barely sleep all night I was thinking about what father said about me and Mike being a thing, I was overthinking.. today I will go to Mikes house and ask him if we are a thing. As I got up from bed I got dressed and went to the living room. " Eleven, Where do you think you're going? " " I was wondering if I could go to The Wheelers house for alittle it's important!! " " alright kid don't be back so late. " I ran very fast to his house and I was completely out of breath I was surprised to see Lucas right in front me. " Eleven are you alright? You cant even catch your breath. " " Yes, Yes I'm fine. " I knocked on the door and Mrs. Wheeler opened. " Hello Who are you? " " I'm eleven, is mike home? " " uhh yes? MIKEEE SOMEONES AT THE DOOR!!! " I could see mike running down the stairs. " " Eleven and Lucas.. Come in " Lucas ran past his mom and I just walked slowly inside. " Mike can we talk for a moment? " " ah yea we can. " " Well you know we kissed yesterday at the snowball.. " " Yea it was really cool. " " are we a thing? " " you mean boyfriend and girlfriend? " " Yes. " " I mean yea I really like you.. a lot. " My heart was beating so fast, He leaned in and I leaned in and we were about to kiss.. until Lucas interrupted.. "

MIKE COME DOWN HERE QUICK " ..

To be continued ..
